

International and Intra-National Cooperation

- C/Supt. Earl Moulton
- Royal Canadian Mounted Police
- Society for the Policing of Cyberspace

 **Poicyb 2000**

The Need for Cooperation

- Interconnectivity of Computers
- Convergence - the interconnectivity of infrastructures
- Globalization

Interconnectivity

- Computer to Computer
- LAN to LAN
- LAN to Internet
- Internet
- Cumulative Effect

Convergence

- Ties different infrastructures together
- Different security cultures
- Different risk factors

Globalization

- Global trade
- Global communications
- Global risk

Meeting the Need for Cooperation

- Partnerships
- Recognizing common interests
- Respecting differences

Partnerships

- Corporate
- Academic
- Legal
- Internet

Corporate Partnerships

- Vertical integration- suppliers
- Corporations within industries - competitors
- Between industries

Academic Partnerships

- Between levels of education - suppliers?
- Between academic disciplines - competitors?
- Between academic institutions - competitors?

International Partnerships

- Corporate - existing trade patterns and industry development
- Academic
- Legal - jurisdictional issues

Existing Partnerships

- Information Security and Forensic Society
- Society for the Policing of Cyberspace
- Internet Engineering Task Force - Digital Evidence: Standards and Principles
- Requests For Comment
- Scientific Working Group on Digital Evidence (SWGDE)
- International Organization on Digital Evidence (IOCE)
- G8

Conclusion

- Cooperation is a necessity - across industries, across boundaries, across disciplines - above all.
- There is no ONE answer
